RE: Kate Kelso Recommendation Letter

To Whom it Concerns,

I am pleased to be able to write this recommendation letter for Ms. Kate Kelso.

Ms. Kelso was a summer associate with Gunster, Yoakley & Stewart, P.A., resident in our Miami office during summer 2012. As Ms. Kelso's direct supervisor, I can attest that she was a diligent and conscientious summer associate during her time with us. Over the course of her ten weeks of employment, she demonstrated many of the traits and qualities necessary to establishing herself as a well-respected member of the legal profession. Specifically, Ms. Kelso regularly asked insightful questions about legal processes across multiple practice groups, sought feedback and constructive criticism of her work assignments to constantly improve her mastery of drafting, and was truly an engaging young professional to have as part of our summer class. In short, I believe Kate possesses the drive and the skill sets necessary to well-represent clients' issues and to distinguish herself among her peers.

Most sincerely,

Brad A. Sprayberry, Esq.
